

Good....well, very good actually...turnout of OB hounds for our NOTRA meet.
 In Afghans, Racey continues to out run the competition with her big open stride and rail hugging. Congrats to owner Diana on another well deserved win.
 In Basenji's, Barb's little Hijinx went box to wire in all 3 programs once again to take the meet. All the Basenji's take their oval racing quite seriously and run hard but youngster 'Jinx' has all that youth on his side. Congrat's on his win.
 In Borzoi, Mercedes made it 2 out of 3 in the high pt races to take the meet with Abbey close behind in 2nd.
 The greyhounds races were once again very fast and furious with Bob taking the meet in style with Yukon hot at his heels. Good racing throughout.
 What can be said about our Italian greyhound entry... Well, they have hard working enthusiastic owners who are as much fun as their little dogs. Try as we might, we couldn't get any to complete the meet but that didn't mean there weren't any fun races to be had. No points awarded but some way cute dogs to behold.
 Our first time entry, Reuben James took home the Rhodesian Ridgeback win with box to wire finishes. He will be one to watch for sure.
 Saluki's were fun as usual with out of state visitor, Espresso taking home the win in very good competition over his closest rivals. Even when boxed out or having to go around the pack, Espresso poured it on to the finish with easy ground covering style. His closest rival, Athena railed hard and made Espresso work to pass her. Congrats to Marie on Espresso's win and also to the point takers - Athena, Dot and Persia on some excellent racing.
